Production Music Licence Agreement  
United Kingdom

For use under the PRS/MCPS Alliance code of conduct and music usage agreements.

## **Conditions of use**

All the sounds and music are copyright to projektxmusik and they are licensed to you and not sold to you. You cannot claim intellectual rights over the music even if you add too or rearrange the tracks using the loops.

You cannot claim credit for the music even if you add your own instrumentation, vocals, change the name of the song or edit the song into a different arrangement. We remain the sole copyright owners of the music we create.

You cannot lend, borrow, hire, distribute via a computer network, copy or re-sell our music in it's native format, it must be included in a production of some kind.

Do not add our music to a website where the music can be downloaded and saved to a hard drive in it's native format.

Proper notifications to PRS / MCPS required.

projektxmusik reserves the right to withdraw any item from it's catalogue at any time and without prior notice.

## **Crediting us**

We would like you to credit us if you use our music in your productions if possible, where screen credits appear or on printed media where a credit list is given.
