Production Music License Agreement (Outside UK)

Standard License Agreement

When you purchase our projektxmusik tracks you are granted a non-exclusive right to synchronise our music into your productions, you can use our music for Multimedia presentations, Flash, Film, Video Games, TV productions, Advertising, Video, DVD productions. Anything that you would normally use library / production music.

Once you have signed up to our members area you can download as many tracks as you like and use them again and again in different productions without paying any extra fees to us.

When your membership runs out you can carry on using the music you have downloaded as per this license agreement.

The license lasts for 100 years and the territory is worldwide (excluding the United Kingdom).

For use in the United Kingdom follow links to PRS/MCPS alliance.

If you intend to use for a major T.V. theme tune or high profile ad campaign please contact us for details

Conditions of use

All the music is copyright to projektxmusik and they are licensed to you and not sold to you. You cannot claim intellectual rights over the music even if you add too or rearrange the tracks.

You cannot claim credit for the music even if you add your own instrumentation, vocals, change the name of the song or edit the song into a different arrangement. We remain the sole copyright owners of the music we create.

You cannot distribute, rent, lease, sub license, assign, lend, hire, distribute via a computer network, copy or resell our music in it's native format, it must be included in a production of some kind.

Please do not add our music to a website where the music can be downloaded and saved to a hard drive in it's native format.

Your username and password must be kept secret and safe at all times.

projektxmusik reserves the right to withdraw any item from it's catalogue at any time and without prior notice.

Disclaimer of consequential damages

projektxmusik are under no circumstances liable for any damages, consequential or incidental, arising out of the use of the audio or inability to use the audio including without limitation, computer failure, work stoppage or any other damages, even if advised of the possibility of such damages. Because some states and countries do not allow the exclusion for limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

Limitation on liability

projektxmusik liability shall in no event exceed the actual price paid for the license.

Crediting us

We would like you to credit us if you use our music in your productions if possible. Where titles appear or on printed media where a credit list is given.

Cue Sheets

If you make a production that is going to be broadcast then you will need to fill in a cue sheet for the broadcast company. This will enable the composers of the music to claim any performance royalties that are owed to them.

The cue sheet is normally completed and sent to your relevant performance collection agency (i.e. Performing Right Society / PRS for the UK)

Information to include.... projektxmusik PRS United Kingdom, Writer/s, Title, Duration.
